Verse:

Owlin G for piece real cleft for truth love sake

Process patient over time now we shame (it) they was fake (Battle is of the Spirit not flesh and blood)

Little Light of Mine get it G we know above wake (it)

Up for peace power Unity the real we all make

Grown man Cop plea truth we teach kind

Truthfully to brighten days hope within the rhyme (its)

True, time and time again we check the lie and keep shinin

Better life for Children way beyond the yours mine

Sing hymns healing process back to you let's begin

Meditation or create if you dig it hit the gym

All different find your peace slow n' easy passed a sin

Poetic light on back and forth Human Earth one kin

Teach some tolerance to zero tolerance claiming patriotism

Likes the volume of its own voice pushes haterism

Patient with it cuz we've been watching trippin' birtherism

Same Dis different sleep check it for all the people livin

Verse:

He wrote a poem and she lied bout' how she know him

God riding on the clouds saw it heard it yeah we knowin

Owlin G witness flowin like the family we glowin

Checking hate with inner prize future now n get it goin

Saying less government so they don't have to behave

Adult supervision Washington how we save

Ruled by the governed not control denial of slaves

Honesty is best a new Union starts today

Bringing Justice to a planet or Detective Sleep Dis
He's a kick to check kid didn't even catch the list
Prime directive independent Word is Bond what he missed
Fellowship respect wake his frame up when it fit's

There's a Bird in the building reppin Word is Bond
G.O.D. complete oversight it's goin on
Geddin time peace right...we see you con
Oneness love one another or the world is gone
