Verse:

Lightworks swiftkickz Protect One Faith

Every culture One Nation all exist one place

Intolerance insulting wake you up love space

Everywhere all at once we're the future keep pace

People of Earth we are mostly common kin

Rest assured we made the markets intolerance won't win

Time is transformational every effort as we've been

Common people made Liberty not birtherism sin

Human rights lives to keep families together

Asylum for oppressed Every Nation could do better

Incentivize the votes Democratic trendsetter

They hate to take a knee, yet suppress votes with fetters

People is the nation if allowed to have a voice

Patience we must have to plant seeds and rejoice

Gratitude The Greener Side chill the beat "Noice" :o)

Let it flow let go future peace our is our choice

Hook:

Verse:

Sharing teaching caring life-giving let us be

Helps us feel alive healing daily PTSD

One love all together now set the mind free

expose the lies Check the condemnation right G

Con'll rules disturbs the fellowship we love the light

Trade problems for some purpose love the people human rights

Dwell on Spirit you are (the) apple of God's eye Spirit fight

John Lilburn Johnny Blaze rhymes for raps we the light

Privatizing takers leave the Democratic peace

Facts show they claim blame it's a Theocratic Beast/exploited

Moms and Pops Market flow stability completes

Next natural infusions new health for the least

Plan a project art for U and U a year away to dream :0)

Life-giving Hearts love purpose U one team

Strong together civil rights cuz it's bursting at the seams

Versus anti public-interest hates facts because it's mean
