

Peace – Here is something I learned while trading with an AI “Trade Assistant”.

Very interesting. This is a journaling of a “1 hour structure levels and 5 minute chart Displacement/Closure with Volume” strategy idea. Here’s to Continuous Improvement.

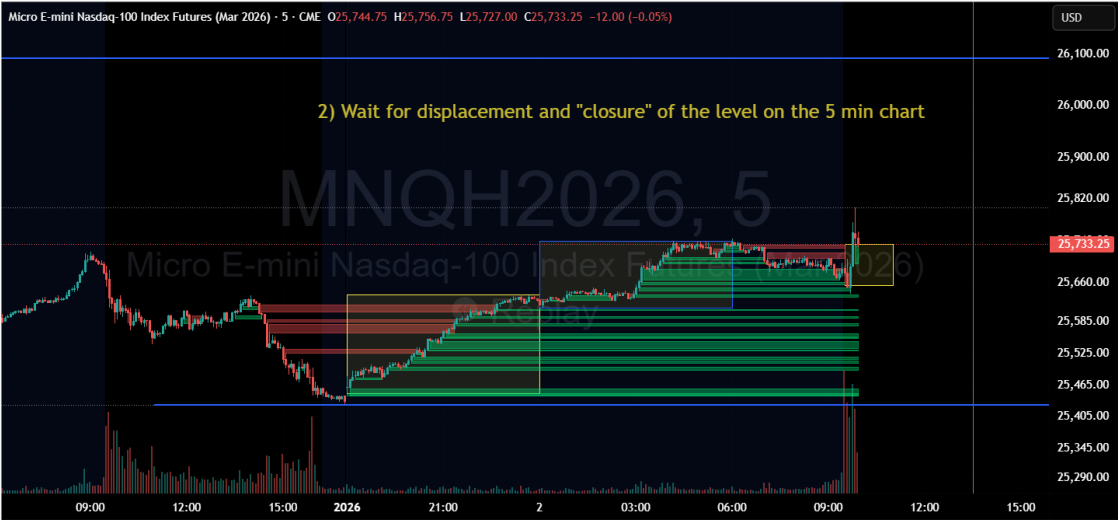

“Reclaim your power, through a Process Mindset”. Peace

A reminder: “Opening ranges” are short term reference points, and if price is near a key session or structure level, then the key level takes priority. We read responses through a mechanical process.

A Key level is a representation of Smart Money Order Flow. Peace.
