

Quarentine

Intro: You will now witness the 4th awaken (we meant the reconciliation)
Peace is an absence of confusion. Hype is a group think confused illusion
We need our energy so we can deal with the accusers

Verse #1:

Quarentine the controversial commentaries with no rehearsal fallen fairies
Peace Bro Peace Sis monasteries
Cultivate faith energize to fight the hate and not the middle of an argument
But real life living traits

Lucky ta do that grateful here's a new rap
Some try to hate but too late we got it from here don't do that
Here's a message from the farmers bygones and snake charmers
Relax n build your habits slowly n watch those noon snacks

Stay in our right minds even though we're topics
This artist that artist good for them prefer the logics
No cash in music except for how we found a way to heal
Through therapy healthcare peace and blessings to be honest

Polarizers realizing love between the brothers
Better days ahead positive seeds yes another
Medications accusations consternations heal the nations
Bigger fish to fry so don't hate the spirit brothers

Hook:

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare. What does is mean?

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare.

Verse:

A person's not a skin color, a multinational presentation
Realizations on vacation clear up all the hesitation
Humble peasant nations teaching life
Just chew on the word it's what he likes

The dis'll play itself and it's really not our business please
Different ways of perception like if someone's praying on their knees
No question, no question. Praying or condemned
Life or the accuser. The confused cuttin' trees

No Hiphop meal tickets even for B
Reality for 99's tours are cash live free
Belief into behavior reduce hates with erasers
Replace racists we all saviors whether ha's or hees

Everyone and everything together what the spirit does
Over time that's all there is today is tomorrow it always was
light a light that makes you feel better well enough is good
Flow of energy that's the buzz

Hook:

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare. What does it mean?

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare.

Outro:

It's an energy that moved and is moving through all of us people all the time
The inertia is unstoppable by money or who a person is
That's why we have tried to make peace
The only way to change the world is by uniting all of us
Together and the knowledge of unity (knowing) is the answer
Onelove. Peace

Hook:

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare. What does it mean?

Spiritual warfare, spirit ya, spirit ya, Spiritual warfare
Spiritual warfare, spiritual warfare.

(addition from the team :-)

1st we thank our friends “how could we have said anything a moment ago? Couldn’t get a word in edgewise” ha...ha...Also, thanks to “take a moment to talk with Rhonda a bit”
Some people just need to chat a bit...that’s people....

From all of us to us...CHILLPEACETEAMCAMPINFINITELABS
(don’t forget yourself...slow n easy)
