D minor 1 Vamp

97

The idea is slippin' n slidin' between D minor and both diminished scales
Creatin' bebop licks w/ both scales and connecting them ... chromatic scale

101

Repeating a note

half step slide vib

new dim. scale only 2 exist ..

105

1/2 step, whole step
whole step, half step

(2 diminished scales) every minor 3rd repeats

109

Something like that :-)

Create your favorite diminished "chromatic" melodic ideas
Enjoy the discovery :-)
