Interesting use of Diminished B^b triad 7

off b2 half/whole

↑

Ding, Ding, Ding, Ding, Ding, Ding, Ding, Ding

So 1/2 whole diminished based off b2 scale degree of the V⁷ chord

What a Great sound!

How bout' Mixolydian vibes at Lydian shape (Mode)

Gtr.

Each solo we transcribe reminds us of a certain area (Mixolydian 7 or minor, ... etc)

Gtr.

So we play the solos as exercises & then expand on the areas

Gtr.

6 7 8 8 6 5 3 3 1 1 1 3 8 8 8 10 13 12 13 13 10 10 11 10 8 8 6 7 8 6

altered vibes...

That's the "reaching" we're creating the moment is looking for

Repeat the lick about!

n all the Gals n Dicks
"doin' they stang..."

and to all the poor folks who care

They ain't gonna destroy the love here

and to Kurt Elling too

Man you guys are cool!

Peace to Gregory Porter and the fines' squad

and the Hoppers Bo
and classical
etc.

if they keep pushing Hate,
say "loud rebuke that"
at its spiritual warfare of
family Affairs
"all over"

U in nooooo way

and the fines' squad
ovah thevrah!
